**IN RE: NATIONAL PRESCRIPTION
OPIATE LITIGATION**

This document relates to:

All Cases Against Prescription Supply, Inc.

MDL No. 2804

Case No. 17-md-2804

Judge Dan Aaron Polster

**DEFENDANT PRESCRIPTION SUPPLY, INC.’S
STATUS REPORT PURSUANT TO ECF NO. 4670**

On October 7, 2022, the Court ordered certain “Non-Litigating Defendants” (and their respective Defendant Families) to submit status reports listing every case in federal and state court that states claims against them involving the manufacturing, marketing, sale, distribution, or dispensing of prescription opioids. ECF No. 4670. Defendant Prescription Supply, Inc. (“PSI”) was identified as one such Non-Litigating Defendant.

Although PSI is not litigating any opioid-related case currently, the company previously litigated Track One of this MDL until August 2019 when PSI and several other Defendants were severed and proceedings against them stayed at the request of Plaintiffs Cuyahoga County, Ohio, and Summit County, Ohio.¹ *See* ECF No. 2438.

Nonetheless, in accordance with the Court’s Order of October 7, 2022, PSI provides the following list of every case in state or federal court pending against the company related to its distribution of prescription opioids:

¹ PSI also litigated two putative class actions brought by NAS guardians (*Artz* and *Doyle*) in which the Court denied class certification. *See* ECF Nos. 3623, 3644. PSI has thus not listed those two cases below.
